Dear Parents of 6-12<sup>th</sup> Grade Students,

Research confirms that when children grow up feeling connected to their parents they do better in school, build healthy relationships, avoid risk behaviors such as drugs, alcohol, crime and delay sexual expression which ultimately protects them from a lifetime of negative consequences.

On Saturday, February 25, 2012 from 9am-12pm we will be hosting a workshop called **Building Family Connections** at the high school.

The primary focus of this workshop is to educate and empower parenting adults to be more intentional in their role in preventing HIV/STI risk behaviors in youth. The interactive learning format helps parents build parent-child communication skills and parent-child connectedness so that youth can grow up safe, smart and strong!

Registration is required (form is attached) and is due by February 17th. The cost is \$10/person or \$15/couple and can be dropped off at Unity Christian or mailed to: The Pregnancy Center 240 N. Bluff Blvd., Ste. 105, Clinton, IA 52732. Check are payable to "The Pregnancy Center". Nancy Lincoln is the BFC trainer and also the Director of Sexual Health at the pregnancy center.

If you have any questions please don't hesitate to contact me or Nancy Lincoln at 563-242-6628.

Thank you.

Dick Ritzema,  
Superintendent
