

## High School Athletic Fundraiser Requirements

The Athletic Boosters would like to thank you for your continued support of Unity's athletic programs. It is because of your support and help that we have been able to continue the programs with a "no pay to play" system.

The Athletic Boosters have continued to strive to provide quality athletic programs. Each year it is the responsibility of the Boosters, with the help of you and your child(ren) to raise enough funds to cover the \$30,000 + budget. We do not receive help from the school or tuition. This is all raised through tournaments, concessions, and fundraisers. We are striving to continue to offer athletics at no cost to the student/family. In order to do this, we do need greater participation from athletes in our fundraisers. We have also heard and taken input from families and have updated the requirements.

Each athlete that participates in a high school sport will be required to sell enough items in either the fall or spring fundraiser or both to combine for a profit of \$120. No more than 50% of this \$120 amount can be paid out of pocket.

Each athlete that participates in a high school sport must work 2 service fundraisers which can be two shifts at the Christmas tree farm or one shift at the Christmas tree farm and one shift at our Pizza Ranch fundraiser on June 15<sup>th</sup>. **Junior High athletes (7<sup>th</sup>-8<sup>th</sup>) that did not participate in a high school sport must work 1 shift at the tree farm.**

If an athlete does not meet the requirement of the two fundraisers, then each athlete will be required to pay \$150 to the Boosters before the end of the school year.

One more way that you could support our Athletic programs would be to join the Booster Club. We are in much need of new members. More booster members = less work for those involved and new and fresh ideas. \$150 scholarship is available to seniors whose parents participate in boosters for 3+ years.

Again, thank you for your prayers and support for our Athletic Programs.

If you have any questions regarding this matter please contact Jana Behr  
jbehr@unitychristian.com or 319-981-6408

-----cut here-----cut here-----

I have read and understand the fundraising requirements for participating in athletics at Unity Christian School. I understand that as an athlete of high school sports I must participate and meet the minimum requirements in selling and service fundraisers and if I do not meet the requirements I understand that I will be required to pay \$150 as a participation fee. This fee would be due before the end of the school year.
