Parents of Preschoolers,

Letter/Bible Verse: Bb – Be Kind. Eph. 4:32 (3yr olds)
Bb – “Believe in the Lord Jesus, and you will be saved.” Act 16:31 (Pre-K)

Pre- K Site Word: “and”

Apple Orchard: We all had a great time at the apple orchard. The bus ride was a big hit as well!

Mask: Parents please be sure your child comes with a mask each day. This is required unless your child has a medical condition and in that case we would need a note from your Dr. I know this isn't always easy and we are not thrilled with it either however in order for us to stay open we need to follow the guidelines.

Scholastic Book Orders: The Scholastic book orders are due back this Wednesday Sept 29th. There is still time to order. There are 2 ways to order, you can order online at www.clubs.scholastic.com our class code is MJM4B or fill out the order form on the back of your book brochures. Please note if you order using the order form all payments need to be paid by check and made payable to Scholastic. No late orders, please.

Fire station Field Trip: We will be going to the Fulton Fire Station on Friday Oct 8th. The daycare kids will be bussed down to the fire station and the kids that come just for preschool from 8:30 to 11:00 can be dropped off at the Fulton Fire Station promptly at 8:30. The Fire station is located at 1802 16th Ave. All of the kids will get to ride in the fire trucks back up to the day care. If any parents would like to help chaperone please sign up in the office. Parents if your child does not normally come on Friday they are welcome to join us for the hours of the field trip. Reminder: that no siblings will be allowed to attend our field trips. Thanks!

Coats/Extra clothes: Parents with the fall weather upon us, please be sure to send a jacket with your child, we will be taking the day care kids outside twice a day. Also check your child's extra clothes box to be sure the clothes are appropriate for fall weather. Thank you!

Looking Ahead:

- Oct 8th Fire station field trip
- Oct 11 No Preschool (Columbus Day)

Highlights

Miss Missy: Aa week was awesome! We made yummy avocados, tasty apples, snappy alligators and zippy astronauts floating in outer space! Our trip to the apple orchard was amazing. We learned how apples grow, how to pick them and how they get washed! We even got to bring some home with us! Thank you to all of our chaperones - we couldn't do it without your help! Now on to letter Bb - butterflies, baboons, bears, bus, bees, Bible, bugs... We are busy every day making friends, learning to share and take turns. We are working on listening skills and keeping hands to ourselves. Thank you, God, for helping us to be kind :) We will continue talking about the changing seasons and how the animals prepare for colder days. Enjoy your week and thanks again for being great families.

Miss VonHolten: Aa" week started with all things apples (colors, parts, growth) leading up to the much-anticipated trip to the apple orchard. Wednesday, we had awesome weather when we went to the orchard and there were several highlights for the children including the school bus ride, picking apples, and bringing some home. Thank you to those of you who were able to come along and help! The end of the week we finished learning about autumn, acorns, ants, airplanes, and astronauts. During Bible time, we learned about how the "Sneaky Snake" tempted Eve, Eve and Adam sinned, they tried to hide their sin from God (never works), and had consequences for their disobedience. We also had devotions where we discussed God caring for us like a shepherd, how we need to ask others for forgiveness (say sorry) when we've done something wrong, how we get angry but have to be careful in our anger, and how God always helps us.

This week, "Bb" will be our focus. The kids continue to learn how to properly grasp writing utensils and a few are still working on deciding which hand they prefer to write with (perfectly normal). Our Bible lessons will be centered around "Noah's Ark." Have a beautiful week!
