Teacher Highlights

Miss Missy: We had a great first week of preschool! So many new friends to play and learn with, so many fun times to come! This week was focused on friends, rules and getting to know the routine. We will be learning the alphabet in a different order this year, starting with the more familiar and phonetically simple letters and moving toward the more obscure ones. So, we will begin with letter Ss! Snake, sandwich, square, salad, sunshine, seahorse, snail, seed, star... We will be exploring science, singing, counting, shapes, art, yoga, phonics, reading and so much more this year. Our first Bible story will be "In the Beginning". We will thank God for every new day, every flower, every raindrop and every snowflake. Get ready for exciting adventures ahead!

Miss Vanessa: The first week of Pre-K was a blast! We have such an amazing class! We are getting into our routine and learning the rules and what's expected in Pre-K. Everyone is already getting more comfortable each and every day. As a class we have already started practicing writing our names, tracing our ABCs, danced and made self portraits. This past week was such a great start to the school year! This week we look forward to learning all about the letter Ss. We will be working on Sharing, as well as our Science Skills. In class we will be making some Silly Snakes with Sequins, and Silly Smiley faces with different Shapes!
