Teacher Highlights

Miss Missy (Preschool Teacher) : Aa week was awesome! Cute little acorn buddies (after learning the oak tree life cycle), snappy alligators, apple pies (printed with real apples), peeling apples with a tabletop peeler, playing a "make the apple pie" game (working on finger dexterity and scissor skills muscles by using the tweezers to pick up "apples"), adventurous astronauts and sassy ants! Now onto letter Tt - trees, tiger, teepee, tadpole, teal... We are learning so much together! Name recognition and writing our names with "alligator grip", sharing, taking turns, listening skills, following directions, new songs and plenty of old standbys! Fall is here and we will be discussing the changing of the seasons and what animals do to get ready for the colder months. We have learned about the creation of the earth and the Garden of Eden. Our new Bible story is the "Sneaky Snake" - a preschool favorite. Thank you for always reading to your kids and visiting the library. If you can read, you can do anything! Have a wonderful week and dig out those sweatshirts!

Miss Vanessa (PreK Teacher) : This past week has been full of amazing things! The kids continue to amaze me with their personalities, and how much they love to learn. Not only that but how quickly they learn new things. We made ants. We found out some things that weigh more or less than an apple. We talked about different types of animals, and we took a walk to find and admire some autumn leaves. Now we are on to the letter Tt. We will be finding a bunch of different uses for Triangles. We are going to be talking about Trucks and Tractors and their Tracks. Of course, you can't have Tt week without talking about Tigers! It's going to be so much fun!
