**Website:** Our weekly note home and calendar are posted on Unity Christian School's website.

**Scholastic Book Orders:** Our first Scholastic Book Order will go home this week. If you choose to order books you can submit your order online or you can return the order form and payment in an envelope to your child's teacher. All orders are due September 30 by 11:30 am. Thank you :)

**Tuition Payment:** Preschool payments are due the first week of each month. Daycare payments are due weekly / bi-weekly. We accept cash or check, checks can be made out to UCPC.

**Backpacks:** Please make sure to check your child's backpack daily. They love to show off what they have worked on in school. Also your weekly newsletter and monthly calendar will be put in their backpack.

**Absence:** If your child is scheduled to come but they will not be attending please be sure to call and let us know. Your child's teacher will be expecting them if they are on our schedule.

**Sick:** If your child is not feeling well please keep them home. They may not attend if they have a fever, diarrhea, or vomiting in the past 24 hours. They must be symptom free without medication for 24 hours before returning to school.

**Smart Door Lock:** Our door lock code is **2258#**, you will have to wake the keypad up by pushing anywhere on the keypad, once the keypad turns blue you can push in the code. The door will unlock and will relock in 30 seconds. You will have to unlock the door to leave the building and it will re-lock automatically. Please do not give this code to anyone else, if someone else is picking your child up they will need to ring the doorbell and we will unlock the door for them, the code is only for parents and guardians.

**Questions / Concerns:** If you ever have a question or concern please feel free to contact me or stop by the office. My office hours are typically 8:00-4:00 - Chris

### **Teacher Highlights**

**Miss Missy (Preschool Teacher) :** What a super week! Ss was so much fun! Sunflowers, sunshine, snakes, spaghetti with meatballs (ask your child about the On Top of Spaghetti song), sharks! We are learning all about taking care of our glue sticks and markers (rolling down the glue before closing and making sure caps snap on). We had science discussions about the sunflower life cycle, snakes, butterfly life cycle and even a guest appearance by a real monarch caterpillar! Thank you, Connor! Now onto letter Aa! Apples, alligators, astronauts, ants, airplanes...We will be learning the "alligator grip" technique for holding writing utensils. This is an important part of proper handwriting skills. We will often assist your child "hand over hand" as they begin writing. So, if letters look oddly good, that is because we are helping guide them ;) Thanks for reading to your kids every day and have a great week!

**Miss Vanessa (PreK Teacher) :** Last week was Stupendous! The kids had a blast being super silly, Singing, Shouting, using their Senses, and being scientists! It amazes me how smart our class is already. The kids are having a blast and seem to have a passion for learning. This week our letter is "Aa" and we will be introducing our first sight word "a". We will continue working on writing our names. Our class will be Acting like Animals, making Art with Apples, following some Arrow. It'll be AMAZING!
