Teacher Highlights

Miss Missy (Preschool Teacher) : Nn week was nifty with letter Nn decorated with SNIPPED numbers (yes we have begun the scissors adventure!) and cozy nests (we studied how and why birds build nests)! We had fantastic harvest parties. Thanks to everyone who donated items to make our days more special! Also thank you to all that have returned fundraiser order forms! On to letter Cc this week!! Corn, caterpillar, cornucopia, colors, crayons, crabs, counting! So back to scissors - the kids are doing great with thumbs on the top in the small hole and fingers in the big hole. Please practice this skill at home so they can have even more success at school! Make sure to keep the arm close to the ribs to prevent tilting the hand upside down! Thanks and have a great fall week!

Miss Vanessa (PreK Teacher) : I hope everyone had a wonderful fall break! Now it's time to get back into the groove of things with the letter "Cc", and our sight word "I". This week our Bible story is "A bride for Isaac". Also this week the plan is to work on our Cutting skills. We will also work on identifying our sight words a bit more with matching Cars to their parking spots. The class will be talking about Cleaning. With cold/flu/RSV season upon us we will talk a lot about the importance of washing our hands, covering our coughs and sneezes. I even have a fun little experiment to demonstrate the importance of using soap when you wash your hands. The class will work on Counting with different types of items. Also on the agenda is having the class decorate cupcakes or cookies and Friday November 4th I would love for the whole class to have CRAZY HAIR Day for a fun end to our week.
